

## About ATSS

AudyogikTantraShikshanSanstha (A.T.S.S.).

AudyogikTantraShikshanSanstha (A.T.S.S.), the parent body, is a pioneer technical training Institute started in 1963 under the leadership of a visionary personality Mr. M. D. Jambhekar. Under ATSS various undergraduate and postgraduate professional courses like BBA(CA), BBA, BSC (Computer Science), and AICTE approved MCA, MBA affiliated to SavitribaiPhule Pune University and recognized by the Govt. of Maharashtra are executed. ATSS motto is to impart quality education from KG to PG and PhD level.

## ABOUT ATSS CBSCA

ATSS College of Business Studies and Computer Applications runs various professional courses like BBA(CA), BBA, BSC (Computer Science). Recently college has been accredited by NAAC. College is very keen in imparting quality education. College encourages faculty and students to disseminate knowledge through various ways at college level, University level and State level and National level. Since its inception college students are proving themselves with active participation and winning prestigious University level Avishkar competition.

## OBJECTIVES OF THE PROGRAM

Cyber Security is becoming progressively important in today's networked world and is impacting every aspect of society. Blockchain, Cryptography, crypto currency are the buzz words in today's era. The objective of this workshop is to teach the basic principles of cyber security, security awareness, and best practices. This seminar will help in creating awareness amongst the participants in developing a mind set for carrying out research in cyber fields. The programme will be beneficial to all teaching fraternity who plays vital role in building professionals. The objectives are:

- To explore cyber security awareness literacy.
- To understand the legal consequences and upcoming cyber security trends.
- Need of implementing cyber security
- To learn the latest Internet security techniques and firewalls.
- To familiarize and know about the existing and upcoming cyber security tools.
- To know the impact on ethical hacking

Sessions will be handled by Renowned Researchers, Academicians from University and Industries.
