About Parent Trust - ATSS

Audyogik Tantra Shikshan Sanstha (A.T.S.S.) the parent body of City Pride School and Junior College, CBSCA - is a Pioneer Technical Training Institute established in 1963, about 52 years back, imparting training in the technical field. ATSS was founded by visionary personality Prof. M. D. Jambhekar, under whose able leadership this institution continues to make its mark in various fields of education.

ATSS was promoted by Engineering Industries in Pimpri –Chinchwad Industrial Belt and was the first to start NCTVT-APPRENTICESHIP Training Institute in India. With changing technologies in Industries, we introduced advanced training courses in Computer Aided Engineering.

These courses became very popular as it exactly fulfilled the requirement of Engineering Industries. The Institute is recognized by Department of Electronics (DOEACC), Govt. of India, Board of Technical Education, Maharashtra State for conducting various Basic and Advance computer Courses. More than 22,000 students have passed out and well placed in different Industries all over India and abroad. The last decade has put Pune on the World

Corporate map as an emerging hub of knowledge; Pune proudly carries the title of being an Automobile city as well as IT cluster with immense employment opportunities. Keeping this in mind, The Trust established **ATSS College of Business Studies & Computer Applications (CBSCA)**, which is located at Chinchwad Campus. The undergraduate courses like **Bachelor of Business Administration (BBA)**, **Bachelor of Business Administration - Computer Applications [BBA (CA)]** under the Faculty of Commerce and **Bachelor of Science – Computer Science [BSc (CS)]** under the Faculty of Science - affiliated to **Savitribai Phule Pune University [SPPU]** The Chinchwad campus of the ATSS CBSCA is located in the vicinity of Asia's one of the biggest Industrial belts i.e. Pimpri Chinchwad Industrial belt, and has an advantage of convenient commuting by bus as well train. While, the Nigdi campus in close vicinity of Hinjewadi Software Park, runs for around 3 acres of lush green appearance with facilities like hostel, gymnasium, and Cafeteria .

City Pride CBSE School approved by CBSE board & Junior College by State Board, and a Management Institute under the Trust execute at Nigdi Campus.

The trust has developed its own State-of art infrastructure to make the students comfortable and competent. The well-equipped computer labs with latest versions of Computers and software, spacious classrooms, Library loaded with relevant books and a seminar hall with a 200 seating capacity gives the Institute a professional ambience.

Vision

To be centre for quality education and research, through excellent academic ambience and natural relation with society and industry, with an objective of purposeful existence in society.

Mission

We, at ATSS CBSCA regard it as our mission to develop competent professionals & entrepreneurs capable of withstanding and managing the ever-changing scenario in the world of Information Technology & Management, and having a deep-rooted sense of social responsibility.

Patron's Message

It is a matter of pride to pen down the message for “PRATIBIMB” the annual college Magazine of ATSS College of Business Studies and Computer Applications. Academic excellence along with Co-curricular and extra co-curricular activities completes the process of education. And it gives me great satisfaction that the college is progressing in all its endeavors towards the overall development and personality of the students.

Dear students, in this era of cut throat competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Co-curricular and extra-curricular activities organised by various clubs and societies facilitate the process of creative and critical thinking. They not only inculcate social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties but also make students good human beings and confident leaders.

I intently believe that you would develop versatile personality during your stay in this temple of learning.

To be successful in life, have ambitions and define your goals clearly. Discipline and hard work is the key to success. Be regular in your classes and focus on your goals. Your concerted efforts with the able guidance of your teachers would definitely provide you a blissful and successful life.

I, on behalf of ATSS CBSCA family welcome all the students and wish you all the best for achieving greater success and scaling new heights in the coming session.

With blessing and warm wishes

Mr M D Jambekar

ATSS Trust Chairman

Editor's Desk

Dear Readers,

'To me, the greatest pleasure of writing is not what it's about, but the inner music the words make.' -Truman Capote.

In agreement with the above quote, I find writing as the most valuable literary expression. The inculcation of passion for creative thinking and writing amongst the students is one of the major objectives set by ATSS College of Business Studies and Computer Applications. 'Pratibimb' has been a step towards it and it has served as a great platform to vent out students' passion for writing and encourage original thinking within them.

Our student authors have put across some amazing pieces of writing displaying their creative thinking and writing skills. The works included in this edition are extremely simple but will surely provide an opportunity to peep into a student's thought process and his or her axiomatic creative thinking. It is actually a lovely experience to see these enthusiastic writers voicing their feeling through stories, poems, and jokes and initiating an adult role through various eye opening thinking.

The publication of the college magazine included a lot of planning compounded with team work and I was lucky to have a team of motivated students who played a strong role in envisioning the layout of Pratibimb.

I am thankful to all the blooming writers who have responded to my call and penned their ideas for the magazine. I also acknowledge constant hard work of the student editors who proved to be as catalysts in mobilising the students to write their views and efficiently edited the write ups. I would also like to extend my sincere thanks to our institution heads Mr. M.D. Jambhekar and Principal Dr. Aruna Deoskar for their constant support and guidance through the entire process of planning and publication of Pratibimb.

Finally, from the entire team of Pratibimb I wish all the readers a happy reading!

Prof. Dinesh Lahori
Editor in Chief

Academic Report 2016-17

Our ATSS Family:

It's a great pleasure for me to present before you a comprehensive report on Audyogik Tantra Shikshan Sanstha i.e. ATSS and the Institutes running under ATSS, for the Academic year 2016 – 17.

ATSS was established in 1963 to impart technical education & was founded by visionary personality & educationist Mr. M.D. Jambhekar our Chairman. It's our pleasure to tell that we have completed 50 years on 1st February in 2013. Under his able leadership, ATSS has established it's name as one of the topmost institutes offering range of courses in two campus operation one at Chinchwad and other at Nigadi :

At Chinchwad campus various courses are conducted which includes,

- Computer Aided Engineering Certificate courses
- Under ATSS College of Business Studies and Computer Applications (ATSS CBSCA) we conduct Graduate courses like BSc (Computer Science.), BBA & BBA (CA)

At Nigdi Campus,

At Nigdi campus we have City Pride School, affiliated to CBSE, New Delhi, and accredited by NABET, City Pride Junior College (CPJC) affiliated to Maharashtra State Board

In this long journey, ATSS has maintained its mission of delivering high quality of education & achieved the target of moulding the budding professionals at affordable fees and I am proud to say that like past years, our College has achieved the set target regarding result, and quality education this year too.

Extra Inputs to the students :

Apart from teaching the regular syllabus of University, ATSS is keen in imparting the extra inputs. Knowing the importance of presentation and communication skills we have given an intensive soft skill development & Aptitude coaching to all our students, which included debates, mock interviews, aptitude coaching, Business English, letter writing, breaking news analysis, Movie analysis thus grooming overall personality of all our students.

In particular for BSc (CS), Basic English Proficiency course was designed by Skypoint Learning Solutions of 20 hours, Mobile Repairing Course by Success Institute of Technology of 20 hours, Wordpress to hone IT skills by Matoshree Software Solutions of 16 hours, 3 days Workshop of Hands on Android, 40 hours Soft skills training by Mahindra Pride School.

Further in particular of BBA (CA), Mobile Repairing course of 20 hours each for FY and SY by Success Institute of Technology, Wordpress to enhance

Technological skills of Computer of 16 hours by Matoshree Software Solutions, Android workshop, 40 hours Mahindra Pride School sessions on soft skills, Tally workshop by CCA.

Finally in particular for BBA, Tally session by CCA of 18 hours, Three days Entrepreneurship Development Program for SY and TY BBA of 18 hours by Veridical Consultancy Services and Employability Enhancement Program by Mahindra Pride School.

Experts' Visits to campuses:

To increase the technical skills and to bridge the gap between Industry and academia, this year too we have conducted expert lectures on various topics. Our students were benefited by Industry and academia experts during many lectures, workshops & seminars throughout the year. Few amongst them were:

Description with expert

Mr Ajay Shirke, Head CSR – Quickheal foundations.

Mr Thomas Anthony – English Linguistic Expert – Head English Language Academy.

Mr Raju Bhosale, Senior Developer, Blimp Design Pvt. Ltd.

Mr Rahul Pawar [National Placement Coordinator, Country Recruitment head, Mahindra]

Ms Nishiganda Mathur[Govt project head – Mahindra Ltd]

Mr Jaydeep Gupta, a trainer from Mahindra Pride School

Mr Altaf Rehmani – CEO & Founder Tinytabs. Angel Investor & Entrepreneur 5 AM

Mr Abhijeet Kumar – Founder & Director – RainCan.

Ms Nazat Shaikh, the Renowned Trainer of Delicious Classes.

Mr Mohit Fegade, Director – Matoshree Software Solutions, Instructors: Mr Sagar Fegade & Mr Vaibhav B. Late.

Mr Satyajeet Walle, the Renowned Entrepreneur – Veridical Consultancy Services, Pune.

Dr Vijay Gokhale – Director Cancer Awareness and Early Detection, Lokmanya Medical Research Center.

Dr Aditya Abhyankar, Dean, Faculty of Technology, SPPU.

Dr Jayant Umale, Academic Dean & Researcher, PCCOE.

Mr Rahul Pahade, Principal Services Engineer, Veritas Technology.

Dr Jayant Umale, Dean Academics & Professor PCCOE, Pune

Mr Ashutosh Prachand, IP Analyst, IPFACE Company.

Ms Archana Joshi, IP Facilitator, IPFace Centre.

Dr Poornashankar, Vice Principal - Indira College of Engineering and Management.

Mr Sujit Ghamande, Director, Renewable Infra Energy Systems.

Dr Suresh K Patil, Former University Librarian & Professor, SPPU, Pune and Symbiosis International University.

Dr Ranjit Patil, Vice Principal – Dr DY Patil Arts Commerce Science College, Pimpri.

Mr Satyajeet Wale, Director – Veridical Consultancy Services, Pune.

Dr Ganesh Tannu, Director MIT Group of Institutes, Kothrud, Pune.

Mr Dinesh Waghmare, IAS – Municipal Commissioner, Pimpri Chinchwad Municipal Corporation

Dr Shital Kolhe as the Chief Guest and Prof Vishakha Velankar & Prof Anita Gurjar from Dnyan Prabodhini Vidyalaya conducted the Workshop under SWC.

Mrs Shilpa Patil, the Cooking Expert and Trainer.

and so on visited our campus & guided our students. They greatly enlightened our students & faculty members with their vast experience and knowledge base.

Industry Exposure through MOUs, Industry tours

ATSS believes in giving wide Industry exposure to the students in their respective subjects to enhance their overall knowledge, in line with this and to reduce the gap between Industry and Academia, ATSS has signed MOUs with various organizations The main motive behind these associations is to bridge the gap between Industry and Academia by conducting various lectures for Students and faculties, Industrial tours for students, getting guidance for the students on projects as well as conducting placement drives.

Like every year, this year the students of various courses went for Industrial Tours. BBA students went to WILO – Mather Platt, Chinchwad, Honey Bee Research & Training Institute, Shivajinagar; Saptasatij Industries Pvt Ltd, Chikali; Industrial Visit to Sant Tukuram Sugar Factory, Kasarsai, Mulshi and BSc (CS) BBA (CA) students visited Quickheal Foundations, Pune; Science Park, Chinchwad to study various aspects of Corporate.

Value-Added Add-on courses

ATSS believes in giving students additional knowledge through Value added add-on courses over and above the syllabus set by the University. Ruby on Rails Workshop, Employability Enhancement Program, Workshop on Mobile Repairing, Workshop on Website Development using Word press, Workshop on Making Night Lamp using Waste Mobile Charger, English Proficiency Course, Android workshop, Tally, Entrepreneurship Development Program. Also, S.P. Pune University sponsored two days State level QIP was organized on SAIRAT - “Seminar on Advancements in Research & Technology” at Campus for faculty members of the colleges under SP Pune University

These add-on courses would surely make out students’ resume rich.

Excellent Placements

Result of all these efforts was reflected in terms of the placement in various prominent companies in and around Pune.

The recent Placement drive had been conducted for 9 Companies including Infosys, Cognizant, L&T, Amazon, Eclerx, Mphasis etc

and the placements are still going on....

List of Students Placed [2016-17]

Sr.No	Name	Company	Sr.No	Name	Company
1	Kshitija Raut - TYBSC(CS)	Infosys	9	Sayali Walunj– TYBBA	WNS
2	Glory Salavi – TYBBA (CA)	Infosys	10	Krishna Prasad– TYBBA	WNS
3	N. Jwala TYBSc (CS)	Infosys	11	Prafulla Waghmare– TYBBA	WNS
4	Pooja Shah – TYBBA (CA)	Infosys	12	Akshay Tongaonkar– TYBBA	WNS
5	Priyanka Babar Desai – TYBSc (CS)	Cognizant	13	Karishma Parkhe– TYBBA	WNS
6	Glory Salvi - TYBBA (CA)	Amazon	14	Veronica – TYBSc (CS)	Mphasis
7	Satish Sahu – TYBBA	WNS	15	Krishna Prasad Kolhi– TYBBA	Mphasis
8	Polina Shinde – TYBBA	WNS	16	Kiran Aaglave – TYBBA	Mphasis

Various Preplacement activities were conducted such as Aptitude Training, Soft skills training, Interview preparation, Resume Building, Mock Interviews by Industry experts.

Our College has signed a MOU with Quickheal Foundations. Recently Quickheal Foundations had launched a Initiative “Cyber Security Awareness” – to create awareness and ensure safety from Cyber Crimes in the society. So under the same, our College students participated in the same and covered 40000 + students of PCMC schools. For the same, the Quickheal foundations paid Rs 500 to per student for per presentation, which directly or indirectly assisted the students for their Tution fees or financial support to their expenditure.

Extra-curricular activities

As a cultural event, to provide a opportunity to students to explore their hidden talents, the College organizes Rainbow – the Cultural Program. Under Rainbow, the College organizes Mehendi, Rangoli, Singin, Dancing, Model making, Poster making, Fun fair, Quiz, PPT presentation, C but Don't See (C-Programming) and later Sports week – where Sports like Cricket, Volleyball, Throw ball, Table tennis, Kabbadi, Chess, Carrom, etc.

Through these Intra collegiate events, the college creates a bondage between the courses and among the students to excel in fair competition. Finally two winners from each game are selected and awarded in the Final Annual Gathering Program at the external venue of Auditorium.

Research:

Our College is in process of publishing it's Eleventh volume of double blind reviewed, International research Journal **“I4 : Institute Industry Interaction with Innovative strategies”**. (in association with Parent trust PG research center)

Two days Workshop on KOHA – Open source library software was conducted on 03 & 04 Feb 2017

S.P. Pune University sponsored two days State level QIP was organized on SAIRAT - “Seminar on Advancements in Research & Technology” at Campus for faculty members of the colleges under SP Pune University

Celebrations:

Like every year, this year too both the campuses celebrated the Ganesh festival in eco friendly manner, student organized a programme for teachers on teachers day in the form of a visit to Gurukulam Ashram at Chinchwad by felicitation of teachers of Ashram and donating them Food, Books and Stationary items.

Showing their respect to their teachers. In addition to this, the activities conducted include: Book exhibition, Library day celebration, Freshers day, Alumni Meet, Parents meet. In addition to this, various activities like: Book exhibition, Library day & Reading Day celebration took place in this year.

NSS:

Under **NSS**, ATSS CBSCA conducted various activities like Blood donation camps, Health check ups, Independence Day celebrations, Poster making and Essay Writing competitions, Dindi for cleanliness, Organ Donation Awareness camp, etc.. A group of 25 boys & girl students of BSC, BBA & BCA participated in the camp at “**Godumbre**” village from 13 to 19 Dec 2016. They stayed there for 7 days and cleaned the village, executed Tree Plantation, cleaned river area, educated the villagers through skits, lecture series, counseling workshops.

Staff & Students Welfare:

Under **Students welfare** more than 15 students are getting benefitted under the Earn & Learn scheme, where they are working in Library, Computer Lab, Office. **Vidyarthini Vyaktimatwa Vikas** and Women Empowerment programmes were conducted for girls and women, which was sponsored by SPPU. Under Special Guidance schemes, Expert lecture series for various subjects were conducted and executed. Besides celebrations, like International Yoga day, Seminar on Cancer Awareness, Chocolate making workshop, Cake and Pastry Making workshop, Vegetable carving workshop etc.

Students' Achievement:

Inter-College Competitions-

1. SYBCA student Mandar Vahile won first prize in Power Lifting competition at University Level Inter college competition.
2. Abhishek Seet, Mehtab Alab, Uma, Prachi won second prize in skit competition held by SPPU and Ramkrishna More College.
3. Our BSC(CS) students participated in University Level Avishkar Competition and presented some interesting
Pocket Doctor- by Monalisa Swain, Prachi Bendre (TYBSC)
E-transaction- by Kshitija Raut and Darshan Jogi (TYBSC)
Bus timings on your Hand- Pallavi Deshmukh and Snehal Patil (TYBSC)
“Fan”tastic Generation- Abhijeet Kalathil, Akriti Gupta, Amandeep Channa, Rohit Mishra (SYBSC-CS)
Clap Switch – Sumit Patil, Rahul Das, Snehal Palande, Aditya Kudale (SYBSC-CS)

4. Monalisa Swain and Kshitija Raut student of TYBSc presented a research paper on “Big Data and Big Data Analytics” in Student conference at Indira College of Commerce and Science, Pune.

Intra College Competition-

Book Review Competition-Marathi-

Winner- Kshitija Raut(TYBSc)

Runner up- Prajakta Deshmukh (SYBBA), Rohit Gaikwad (SYBBA)

Book Review Competition-English-

Winner-Kiran Kamble (TYBCA)

Runner up- Prajakta Kshirsagar (TYBCA), Apurva Bhise (SYBBA),

Essay Writing competition-

Winner- Akshata Pawar (TYBSc)

Runner up- Priyanka Shirude(TYBCA)

Poster Competition- Sub:Blood Donation

Prize	Name	Class
1	Rajeshwari Mulimani	SYBSc(CS)
	Kshitija Kadam	
2	Mahtab Alam	TYBBA(CA)
	Abhishek Kumar	
	Sonal Yadav	
2	Gayatri Karungale	SYBSC(CS)
	Prajakta Mane	
	Snehal Sutar	

Sub:Swacch Bharat

Prize	Name	Class
1	Mayuri Gaikwad	SYBSc(CS)
	Nisha Butala	
	Sarita Wakchaure	
2	Bhosale Kiran	FYBBA(CA)

Youth Week-Competitions-

Sr. No.	Activity/Competition	Winners
1	C but Don't See(C programming)	1.Sonu Ram[TYBSc(CS)]
2	PPT presentation 1. Digital Election awareness and campaigning 2.Recent trends in IT or Business 3. Smart city	1.Jwala N.(TYBSc(CS)) 2.Md.Qamar Alam(SYBBA)
3	Quiz (General knowledge) competition	1.FYBBA 2.SYBBA(CA)

4	Poster Exhibition 1. Vote for better India 2. Digital India 3. Salute To Indian Armed forces	1. Sarita Wakchaure & Mayuri Gaikwad 2. Gayatri Kurungale & Prajakta Mane 2. Monika Kanase
5	Model Making (Physical models on any subject/topic)	1. Abhijeet Kalathil & Akarti Gupta 2. Vivek Thakur & Kshitija Kadam
6	Fun Fair	Best Stall: Team SYBSc(CS) Best Game Stall: Lokendra Tomatta (TYBBA)

As a part of Rainbow Week various competitions organized for students- like Mehendi, Rangoli, Singing.

Rangoli Competition-

Winner- Riya Mandal and Prajakta Patil (FYBBA(CA))

Mehandi Competition-

Winner- Snehal Jadhav (SYBBA(CA))

Singing Competition-

Winner- Aditya Modak (FYBBA(CA))

Runner Up- Akarti Gupta (SYBSc(CS))

Faculty Achievement:

Research Papers/books published in year 2016-17

1. Prof. Vinaya Keskar presented a research paper on “Big Data and Big Data Analytics” at Indira College of Commerce and Science, Pune.
2. Prof. Dinesh Lahori Published research paper titled “Study on Emotional well-being among School Students under CBSC” in high impact, referred journal I4.

Book Published-

1. Dr. Aruna Deoskar, Principal ATSS-CBSCA published book on “Mobile Services from Customer Perceptive” in international publication Lambert Academic Publishing.

Awards/Prizes won-

1. Prof. Anita Mathapati and Prof. Dinesh Lahori Received Prizes in Book Review Competition.
2. Prof Dinesh Lahori, Prof Vinaya Keskar and Prof. Vandana Pednekar received “Best Teacher Award” from Lions Club of Poona, Ajeenkya D.Y. Patil University under BBA, BSc (CS) and BBA (CA) respective categories.

3. Prof. Dinesh Lahori received M. Phil Degree under Commerce from BMCC College.
4. Prof Vinaya Keskar, has recently being granted permanent PG Recognition from SPPU.
5. Prof. Hemant Dev cleared SET exam.

Our faculty members too are very much motivated and take keen interest in Research activities. Like every year this year too faculties presented their research papers in various National & International conferences.

I would like to conclude my report by appreciating all my staff members and also all the students for their outstanding academics as well as professional achievements

With a promise of new heights to reach & still a brighter future to come I conclude my report.

ATSS's

College of Business Studies and Computer Applications

Chinchwad, Pune 19.

Co-Curricular Activities/ Workshop / Seminars for Teachers & Students during 2016-17

S. No.	Event	Date and Time	Description
1	English Enhancement session	30 June 2016	Prof Anthony Thomas – Linguistic Expert – English Language academy, conducted the Session on how to enhance the business English.
2	FY – BBA, BBA (CA), BSc (CS) Induction Program – 2016 <u>Session on Dynamics of Competitiveness</u>	11 July 2016	Mr Ajay Shirke (Head CSR – Quickheal foundations) as Chief Guest, the Trust Chairman, the Directors, the Principal and the parents of First year students.

Tree plantation with District officer, Sarpanch, faculty & NSS volunteers

Parents Meeting

A Personal View of Life in a Different and Optimistic Way

- Raut Kshitija (TYBSc CS)

A teacher of mine once asked, What makes you, you? The first answer that came to my mind was my name however, I was wrong. The correct answer turned out to be our life experiences. My life experiences have made me a better person. Nearly six years ago I took a trip to Lebanon, and the generosity of the poverty stricken people made me realize that spiritual wealth far outweighs economical wealth. The people in the small village I stayed at seemed to be truly happy. Every time I saw them they were laughing, smiling, and didn't seem to have a care in the world. This attitude towards life rubbed off on me. Now, no matter how tough a situation I am in, I can always seem to smile and thank God for my wonderful life. Also, I realized that the villagers did not have an ounce of selfishness in them. Every visitor that came to welcome us at our house never came empty handed. Often, they brought with them a box of fruit, such as tangerines or peaches, from their own gardens and orchards. One man even brought us a live goat. The man that brought us the goat was a local villager that was good friends with my grandpa. Though it seemed weird to me at the time, I thought about it and realized that he was giving us the goat as a going away present. Now, whenever I am entertaining a guest or have someone staying at my house I always treat them like I was treated back in the small little Lebanese village. If I am ever asked again what makes you yourself? I will know the right answer and have experiences to support it with. When I came back to America, I understood the world differently. I viewed everything in an optimistic manner. I smile a lot more now, and have a better outlook on life.....

My Academic Experience So Far: Who am I?

- Glory Samson Grace TYBBA CA

In my academic experiences so far, I would describe myself as a reader, writer, and learner, all with different variations. These are all key components as a student in school. Even though some of these characteristics are stronger or weaker in everyone, we all possess these abilities. I for one am more of a writer than a reader because writing takes an imaginative ability compared to reading. As a learner, I strive to do my best in everything I do, and I will not settle for less. Throughout my academic experiences I have learned more about who I am as a selective reader, inspirational writer, and a hard-working learner. Because of my influential experiences during my years of school, I have understood where I stand as a reader. I am someone who enjoys reading as long as it is not forced on me. I find that I only take pleasure in reading when it is of a text that I have chosen and of a specific genre mystery, action, comedy, and realistic fiction. When I am forced to read, I have found that it is not enjoyable or maybe difficult to comprehend. Over the years I have also discovered that I could only read in the morning or at night preferably in a calm, quiet room. I take pleasure in reading along with gaining knowledge from it, under the circumstances. In my academic life, I have realized that I have an aptitude for writing and a way with words. In my opinion, writing is a thing of the mind that flows freely like a feather in the wind. The only thing that is holding me back is the pencil and paper. I have always cherished writing as long as I can use a computer to get my thoughts down. In elementary school, I have been complimented on my ingenious writing and detail that is put into it. When writing, I listen to my mind for what.....

Life is 10% what happens to us
and 90% how we react to it

- Dennis Kimbro

Experience In My Life

- Prannoy Fernandes TYBBA

Today, I look back through vague but wonderful memories, memories of childhood, memories my mother and I share. I remember playing games, cards and putting together puzzles which I still have stored in my attic. Did you ever know that "I Love Lucy" reruns were on at 3: 00 a.m.? On occasion I would run downstairs and wake my mom, who already knew that I had had a bad dream, and we'd watch together. She was very comforting. She showed alot of affection not only for me, but also for my brother and sister. All of us have experienced the same happiness our mother brought to our lives.

In 1999 my best friend's mother died of cancer. It was a tragedy, but as usual, my mother used her power of healing and got his family back on their feet. I remember she cooked for the grieving husband and sulking kids for two weeks. If you asked my friends (or the community) about my mother, they would say, "That woman has a heart of gold." I agree one-hundred percent.

I think the reason she is such a wonderful person is because the Holy Spirit resides within her. She is very holy and has persuaded me to go to church with her every Sunday for as long as I can remember. She belongs to the RCIA (Rite of Christian Initiation for Adults) which gives people the opportunity to become part of the Catholic religion.

About six years ago my mom decided that she wanted to pursue her lifelong goal of becoming a teacher. She knew it would be hard work raising three kids, doing housework, and studying at the same time. Nevertheless, in the long run, she believed it would pay off. What my mother didn't realize was that not all things pay off in this unfair world. After four hard, dedicated years of school, she graduated on a warm spring day. It was somehow better than perfect. It was unbelievable. My aunt and her family drove up from Virginia to celebrate this fantastic day. It was the first time I ever cried from being happy.

It's bizarre how fast a life can change. Two months later, the unpredictable happened. My mother was diagnosed with Multiple Sclerosis at the age of 44. This made me sick. I could not believe after all the good she had done for people,

this could happen. This was the hardest time for me. I was very confused and cried every day. My faith in God just about disappeared, and so did my mom's dream of becoming a teacher. In my mind this tragedy didn't only affect my family, but the entire community.

Today, I watch my mom who is full of boredom and depressed. Every day she takes pills that help her function. Since there is no cure, she can only pray for a miracle. Pray, that is what I do all night and day. Somehow I still feel helpless because there is nothing I can do, especially after all she has done for me. I cannot just sit here and watch her mind and body suffer. As the days go by, she gets worse and worse. If you ever saw your mother have daily spasms, how would you feel? She is not the same person. She used to be able to remember everything, but now her memory is fading.

Multiple Sclerosis is a very serious disease that is desperate for a cure. It slowly kills by affecting the nervous system. I just wish I could tell my mother that everything will be okay like she used to tell me when I had a nightmare or the chicken pox. These past two years have been rather difficult. My dad had to get another job (as a limousine driver), so Friday and Saturday nights he is working. I wanted to go out with friends, but didn't want to leave my mother alone. I always would worry about her.

Then, I decided I must move on with my life and accept the fact that she might never get better. Since my decision, I have become more mature, responsible, and active in school and work. I feel less obligated to stay home on Friday and Saturday nights. I have found a wonderful girlfriend with whom I plan to spend the rest of my life. I have overcome the hardest obstacle I believe I would ever have to face - accepting that my mother is slowly dying. Through the years I have always been able to change negative situations into positive ones. At the moment, I'm happy with my life.

Today, I am a hard-working young man who understands that achieving success in life is the best tribute I can offer to the woman who has played such a big part in shaping who I have become. -

Touch the Stars

- Nile Daniel TYBBA CA

If I never dream, if I never try, if I
never take a chance,
If I never leave, if I always stay, my
future will pass me by.
If I never speak, if I never help, if I
can't shift my perspective,
I might never know, I just might
miss, how much I am truly blessed.
If never strive, if I stay down, if I let
go of hope and love,
If I never travel, I might never see,
all the stars God holds.
I will dream, I will try,
I will take a chance and go.
I will speak, I will help,
I will let God shift my view.
I will strive, I will rise,
I will hold hope and love.
I will travel, I will see,
I will touch the stars.
But I can only do it, if I reach.

I take back my tears

- Mane Mahesh - TYBBA

I take back my tears
the wasted years
I spent crying
for what never could happen

I take back my heart
my shattered heart
Up off the ground
and back in my arms

I take back my hope
wasted on you
and toss it aside
for it has no meaning now

Nothing you say
no words
no songs
can heal the bleeding wound
That you opened again and again

I walk a free woman
held by nothing of yours
and fly away free
as free as the wind

Becoming an Only Child

- Shinde Polina TYBBA

I had been through this before. I knew what to expect, but that didn't make it any easier when my second brother left for college. In fact, this time was even more difficult than when my first brother left, because now I became an only child. My brother Josh and I have been best friends since day one, mostly because we are only 18 months apart.

When he woke me early on that Saturday morning to say a final good-bye, I couldn't help but cry. He looked like a real man in his blue button-down and khaki pants. I felt like I was losing my best friend whom I wouldn't see again for months. I threw my arms around him and could feel the scruff from his beard against my cheek. I refused to let go until the very last second. As I sobbed into his new shirt, he stealthily slipped a note under my pillow.

That night I could hear my mom's muffled sobs from down the hall. I had almost forgotten that I wasn't the only one losing someone. My mom was losing her second baby, and she only had two more years left with me.

Josh's room and mine are right next to each other, so sometimes I could hear him in his room. When he got too loud, I would knock on the wall to say "Quiet down." We'd also knock to tell each other we were going to sleep. Sometimes if one of us couldn't sleep, we'd knock quietly to see if the other was awake. That first night, the eerie silence reminded me that from now on my mom and I were the only ones in the house.

When I got into bed, I found Josh's letter under my pillow.

Dear Madison,

It is such an honor to be your older brother and to have had the opportunity to watch you grow for the past 17 years into such a beautiful, classy, caring, and

genuine young lady. When Mom asks me why I don't have a girlfriend, the answer is obvious: I am waiting for a girl just like my little sister.

Together as a family we have overcome so many obstacles that have only made us stronger, and together we have so many things to look forward to. I want you to know that I am always here for you. I am so proud to call you my baby sister.

The letter made me cry all over again. When I finished reading, I held it in my hands for several minutes, hoping that this was just a dream and I had another day to spend with my big brother.

Adjusting to being an only child has been difficult; everything about my everyday life is different. I know Josh is still there for me, even though he's two hours away. Since I don't see him every day anymore, I have learned to cherish the time he is home. Whenever he's home for the weekend, we go to breakfast and church together on Sundays. We never did that when he lived at home because we were always together, but now these Sunday outings are something we both treasure.

Being separated from my brothers has forced me to become more independent. I have also gotten closer with both my parents, mostly because bonding with them is easier when no one else is around. I truly expected that Josh leaving for college would put a strain on our close relationship, but the time apart has made us realize how important it is to keep our sibling relationship strong. Josh has a new life at college now, but I know that keeping me a part of his life is one of his priorities.

The Reader, Book and Library

- Jwala TYBSc (CS)

Library is a place where one get solace, and can feel the happiness of being alone with your favourite Books as your companion.

God created man, man is believed to be top of every thing because he has intelligence. He has a mind and that mind is at peace only when he gains knowledge.

Library is one of the calmest place of any schools, college or institution – where you are away from all external affairs. It creates a space for an individual as if it provides privacy. My college has huge library where I spent my most of the hours much than my home. Being regular to the library gives a feeling of being at home.

Books are the most loyal companion. The man/reader gains its knowledge, uses it and the output is some where inventions. – which can do better for the country. Library provides various kinds of books for different ages, different subjects and even non academic books. There are also books for kids. Even more latest books are ordered by the Librarians on reader's demands.

The Readers enjoy reading books when he is in library when he is reading his favourite books. Books are the part of a man as a reader. The knowledge gained by the reader makes him intelligent and independent such that he is able to differentiate between the things he comes across. He can judge between good and bad. By reading books, the reader comes to know about the happenings around the world and based on that they create their own thought, they become capable of discussing things or presenting their own viewpoints.

Last but not the least, Books and Library are playing a crucial role in Reader's life.

It (Books and library) helps in shaping the career of the reader. Reading books can be made a hobby for those who are not much interested in reading.

Reading books regularly as a hobby is much better than doing a gymwork regularly.

Conclusion: Books are the important asset of a reader's whole life – whether it is personal or professional and library is the only place where number of books you can get your choice that too any time.

Significance of Books and Library in One's Life

Glory Salvi TYBBA CA

My name is Glory, I am student, and my favourite hobby is reading. My favourite book that I have read is the Autobiography of Dr A P J Kalam. Whenever I have free time I either go to Crossword or library for reading books. Library is an ocean of vast knowledge you can find books from business studies to tourism, novels to recipes and cuisines, educational to knowledge oriented books. The pleasant aroma of books, the over whelming stories, the silence of the library mesmerises me while reading in library.

As the saying is “Books are the best friends of human being.” Well, I believe it is not just a saying but it is a fact. If you are alone or if you feel lonely books can be best friends. Books can help you free your mind or refresh our minds, it can reduce stress, it can also help to feel relaxed when you are depressed.

The habit of reading books should be inculcated from childhood this will not only increase interest in reading, but also increase one's knowledge and also help in improving language skills and vocabulary skills.

So coming to the point, I love reading and I will always keep the habit of reading throughout my life as it is my best friend – who will always be with me even when my friends not with me. I wish I had my own library so that I can spend my whole day reading all my favourite books. So make books your best friends and I can bet you that you will always inspire and motivate you towards your goals and ambitions. It will always refresh your mind and will give you a new hope every time you read.

Fall in Love with Books

- Abhishek Kumar Seet

I fall in Love when I first saw her, My own book with my name on it, year 1999 – month of November on my Birthday.

It was just an Alphabet book with pictures of A B C and colours on it.

A book is not just a book, it is a next world, with glory, beauty, horror, every sense, every emotion, every feeling, Imagination, animation or just more than everything.

My love for Book's got more true and stronger with my age and this love took me to new world with more dreams, more imagination, more books, a world known as Library.

Today year 2016, we have lots of knowledge, lots of information and lots of libraries with books but no readers. Every one is busy with new technology of reading, studying and all no interaction among people and slowly we are loosing those thoughts of – Good Book create good character – Read a book today lead the world tomorrow.

My favourite and world famous scientist Michale Faraday, expertise in magnetic fields. Very poor childhood, works in a Book binding shop, he worked in binding books of famous authors, scientists and so on and always had a copy for himself read it. By this he learned lots of things and got to know about this outer world and following those Books and knowledge he turned out being an amazing scientist.

A Good Book can not be judged by its Cover, Time come passes, many generations ruled and destroyed. But knowledge and lesson's in Book's / Libraries remain for ever and anybody can access it.

A book gives a different platform to think other than our real world – where you keep everything aside and enjoy that virtual world of Dreams and Imagination.

बाळ माझं मोठु !

- शितोळे ऋषिकेश (TYBBA)

चंपावती नगरीत राधा नावाची एक गरीब विधवा राहात होती. दहा महिन्याच्या आपल्या मुलाला मोठं करण्यासाठी ति प्राणपणानं झटत होती. स्वतःच बाळ तिला खूप खूप महान वाटायचं; त्यापुढं महाराजपदही खुजं भासायचं. ती नेहमी एक गाणं म्हणायची खड्या आवाजात इतरांनाही ऐकवायची. गाणं होत साधं सोप, आपल्या बाळांच्या कौतुकाचं.

"बाळ माझ खूप खूप मोठ,

त्यापुढं महाराजपदही थिटं !

बाळ माझा शूर वीर,

बाळ करील ते करायचं

महाराजांनाही होणार नाही धीर १"

राधेच ते गीत एकदा राजाच्या शिपायांनी ऐकलं; ते चिडले, रागावले गाणं म्हणून राधेनं राजनिंदा केल्याचं, शिपायांनी तिला सांगितलं.

राधेने ते गाणं म्हणू नये, महाराजांची बदनामी करू नये म्हणून शिपायांनी तिला पुन्हा पुन्हा बजावलं, पण राधेचं गाणं चालूच राहिल. मग मात्र शिपायांनी राजाकडे फिर्याद केली, राधेच्या अपराधची मग राजांनेही दखल घेतली. क्रोधीत होऊन कैद करण्याचा त्याने हुकूम दिला. शिपायांनी राधेला राजासमोर आणून उभं केलं. राजानं राधेला तिचं म्हणणं सिद्ध करण्यास फर्मावलं.

"बाई, तुझ बाळ मोठं ग कसं ?

आणि त्यापुढं महाराजपद थिटं ग कसं ?

तुझा बाळ शूरवीर ग कसा ?

आणि राजा भित्रा ससा ग कसा ?

सांग, सांग, मला पटवून दे ?

नाहीतर मृत्यूला सामोरी ये."

डोळ्यांतून आग ओकीत राजा गरजला, राजाच्या त्या रुद्रावताराने दरबार स्तब्ध झाला. राधा शांतपणे विनवली, 'महाराज माझी चूक झाली '

"ते काही चालणार नाही, राजानं हुकूम केला, महाराजपद थिटं कसं ? ते भरदरबारात सांग. मला तुझा बाळ शूर वीर कसा ते प्रत्यक्ष पटवून दे." महाराज, मला एक विषारी नाग आणून द्या. अतिभयंकर जो असेल चार दिवसांचा उपाशी आणि टोचून झालेला बेजार'. राजानं सेवकाकडून एक विषारी नाग आणविला, राधेचा प्रयोग बघायला दरबार खच्चून भरला. त्रिवार लवून राधेनं राजासह दरबाराला अभिवादन केलं, मग विषारी नागाला टोपलीतून मुक्त करायला सांगितलं. फुत्कारणारा नाग फणा काढून

तोऱ्यात डोलू लागला, सावजाला कडाडून डसण्यास पुढं पुढं येऊ लागला. "कुणीही पुढं येऊन या नागाला धरावं, आणि आपलं श्रेष्ठत्व सिद्ध करावं." राजापुढं येत राधा नम्रपणे म्हणाली प्रथम "महाराज राज्याचे मुख्य म्हणून प्रथम पाळी आपली." राजा संतापला, रागानं थरथरू लागला. "हे मूर्ख! , मीच काय; इथली कुणीही व्यक्ती नागाला पकडू शकणार नाही; सुखाचा जीव धोक्यात घालून कुणी मरणाला सहजी कवटाळणार नाही." त्याबरोबर राधा पुढं झाली, राजाचं आणि दरबारातील इतरांचंही खुजेपण दाखवत म्हणाली, "महाराज, आज या दरबारात एक लहान व्यक्तिमत्व बसलं आहे. जे या भंयकर, विषारी नागालाही हसत लिलया खेळविणार आहे." असं म्हणून राधेनं बाळाला दरबारात सोडलं. रांगत निर्भय बाळ नागाशी दोरीशी खेळल्यागत खेळत राहिला. बघता बघता नागानं, बाळाला पूर्ण वेढा घातला आणि जिभेनं तो बाळाचे चिमुकले पाय चाटू लागला. गुदगुदल्या झाल्यामुळं बाळ हसू लागला. ते दृश्य पाहून दरबार स्तंभितच झाला, राजाला राधेच्य गाण्याची सत्यता पटली. गारुड्याला सांगून राजानं बाळाची नागापासून सुटका केली. बाळाच्या पराक्रमानं राजा खुष झाल. मौल्यवान मोत्यांचा कंठा त्याने बाळाला भेट दिला. राधेलाही अमाप धन देऊन राजानं निरोप दिला आणि ते गाणं म्हणण्यास राधेला मुक्त परवाना दिला

माझी मराठी

- मोरे मयुरी (SYBSc (CS))

प्राथमिक शिक्षण 'मराठी' मातृभाषेतूनच असाव असं माझं स्पष्ट मत आहे. प्राथमिक शाळेची मुलं दहा वर्षांपर्यंतची असतात. पहिली पाच वर्ष तर शिशू म्हणून घरातच जातात. नंतरच्या पाच वर्षात मराठीतून शिक्षण असलं तर मुलांचं मराठी खूपच आकाराला येईल. पूर्वी आमचं शिक्षण मराठीतूनच झालं, नंतर पाचवी म्हणजे इंग्रजी पहिली म्हणत. अशी इंग्रजी सातवी म्हणजे मॅट्रिक म्हणत.

लहान वयात मराठी व जाणत्या वयात इंग्रजी शिकल्यामुळे आमच्या पिढीच्या दोन्ही भाषा चांगल्या झाल्या. मोठेमोठे लेखक त्यामुळे निर्माण झाले. उभ्या जगात त्यांच काही नडलं नाही. इंग्रजी भाषा मराठीच्या मानाने सोपी आहे. पहिली पासून इंग्रजी ठेवायचीच झाल्याच ऐच्छिक विषय म्हणून ठेवावी. त्यात कमी गुण मिळाले तरी प्रगतिपुस्तकावर फार परिणाम होऊ देऊ नये.

लांब, दूरवरच्या खेड्यापाड्यातून शिकणाऱ्या मुलांना आपली भाषा येणं हे जास्त महत्वाच आहे. त्यातल्या नापासाच प्रमाण वाढलं तर शाळेतली मुलांची हजेरी नक्कीच रोडवेल. वर्ग ओस पडतील. मात्र मराठीत शिक्षण दिल्यास निदान चौथीपर्यंत तरी दूर खेड्यापाड्यातील मुल-मुली आनंदाने शिकतील. तेवढं झालं त्यांना आपल्या आयुष्यात उभं राहायला निश्चित मदत करील आणि मुळात

आपल्याला इंग्रजी बोलता येत नाही हा न्यूनगंड मनातून काढूनच टाका. तुम्ही टी.व्ही वर रशियन, चिनी, इटालियन वगैरे खेळाडू आपल्या मातृभाषेतूनच बोलतात हे तर ऐकलचं असेल. तुम्ही तुमच्या मातृभाषेतूनच बोलायला हवं! म्हणजे आत्मविश्वासानं बोलता येईल.

आपला भारत आता स्वतंत्र, स्वाभिमानी देश आहे. आपल्या स्वातंत्र्याला त्रेपन्न वर्ष झालेली आहेत. तेव्हा एवढा तरी स्व-भाषाभिमान आपण मनोमन बाळगायला हवाच आहे! ते फार फार जरूरीच आहे, असं माझं स्पष्ट मत आहे!

तुम्ही तो मनोमनी बाळगाल तर:

मराठी असे आमुची मायबोली ।

जरी आज ती राजभाषा नसे ॥

नसो आज ऐश्वर्य या माउलीला ।

यशाची पुढे दिव्य आशा असे ॥

राष्ट्रसंत तुकडोजी महाराज!

अवतीर्ण ३० एप्रिल १९०९ — ब्रम्हलीन ११ ऑक्टोबर १९६८

- लाड पाटिल प्रथमेश SYBBA

वंदनीय राष्ट्र संत तुकडोजी महाराजांचा जन्म अमरावती जिल्ह्यातील यावली या गावी ३० एप्रिल १९०९ रोजी झाला. त्यांच्या वडिलांचे नाव बंडोपंत आणि आईचे नाव मंजुळा होते. ते ब्रम्हभट वंशातले होते. भट शब्दाचा अपभ्रंश होऊन त्यांना भात म्हणत. बारश्याला दिनांक ११ मे १९०९ रोजी आकोटचे श्री हरीबुवा, माधानचे प्रजांचक्षु, श्री संत गुलाब महाराज व यावलीचे महाराज यांनी मुलाचे नाव 'माणिक' ठेवले आणि आशीर्वाद देवून निघून गेले. त्यांचे प्राथमिक शिक्षण चांदूर बाजार येथे झाले. श्री संत आडकोजी महाराजांनी त्यांचे नाव 'तुकड्या' ठेवले होते.

इ.स.न.१९२५ मध्ये त्यांनी 'आनंदामृत' ग्रंथाची रचना केली. ते स्वतः भजन, किर्तन, प्रवचन करू लागले. त्यांनी खंजेरी वर उत्तम भजने गायली.दि. २३ फेब्रुवारी १९३५ शनिवार रोजी सालबर्डी येथील अज्ञात वासात आले. पुढे त्यांचा गांधीजींशी सहवास झाला. २८ ऑगस्ट १९४२ शुक्रवार रोजी स्वातंत्र्य संग्राम चळवळीत भाग घेतल्याने त्यांना अटक झाली. आणि डिसेम्बर मध्ये सुटका झाली. १९४३ मध्ये विश्वशांतीनाम सप्ताह झाला.५ एप्रिल १९४३ सोमवार रोजी श्री गुरुदेव मुद्रनालयाची निर्मिती करून गुरुदेव मासिकाचे प्रकाशन केले. १९ नोव्हेंबर १९४३ शुक्रवार रोजी अखिल भारतीय श्री गुरुदेव सेवा मंडळाची स्थापना केली. हरीजनांसाठी त्यांनी मंदिरे खुली केली. ते म्हणत गावा गावासी जागवा । भेदभाव समूळ मिटवा” उजळा ग्रामोन्नतिचा दिवा । तुकड्या म्हणे ।”

ते आपल्या भजनातून जाती भेद पाळू नका, अस्पृश्यता गाडून टाका, दारू पिऊ नका, देशावर प्रेम करा असा उपदेश करीत. प्रत्येक भजनाच्या प्रारंभी थोडे गुरु स्मरण व अंधश्रद्धा, वाईट रूढी, व्यसने यांचा त्याग करा. अशा आशयाचे थोडा वेळ भाषण केले कि, हातातील खन्जरीच्या वेगवान ठेक्यावर त्यांचे पहाडी आवाजातील व सुंदर चालीतील मराठी-हिंदी पदांचे भजन सुरु होई व त्यात कुठल्याही थरातील वा धर्मातील श्रोता तल्लीन होवून जाई. सर्व पंथांचे व धर्माचे लोक त्यांचे अनुयायी बनले व त्यांना राष्ट्र संत तुकडोजी या नावाने संबोधू लागले. 'ग्रामगीता' लिहून गावाचे व लोकांचे कल्याण कशात आहे हे समजाविले. भारत कृषी प्रधान देश आहे. म्हणून कृषी उद्योगात सुधारणा सुचविली. सामुदायिक प्रार्थना करावी. सर्वांशी प्रेमाने वागाव. गोवध बंदी, व पशु संवर्धन करावे हे शिकविले.

दिनांक २३ एप्रिल १९४७ बुधवारी श्री गुरुदेव आश्रम नागपूरचे उद्घाटन केले. भारताचे राष्ट्रपती श्री राजेंद्र प्रसाद यांचे कडून त्यांना १९४९ मध्ये 'राष्ट्र संत' उपाधी प्राप्त झाली. १९४९ साली त्यांनी संत सम्मेलन घेतले. विश्वधर्म परिषद व विश्वशांती साठी ते सयाम, ब्रम्हदेश, व जपान येथे जावून आले. तेथे सर्व धर्म व सर्वांचा देव एकच आहे, हे खंजेरीद्वारे भजनातून सांगितले. (हर देश में तू, हर भेष में तू । तेरे नाम अनेक तू एकही है '।।)

भारताच्या पंतप्रधान श्रीमती इंदिरा गांधी गुरुकुंज मोझरीला भेट देण्यासाठी इ.स.न १९ मार्च १९५६ रोजी रविवारला गेल्यात. चीन युद्ध १९६२ व पाकीस्थान युद्ध १९६५ झाले तेव्हा सैन्यास धीर देण्या साठी स्वःत सीमेवर जाउन वीरगीते गाईली, व सैन्याचे धैर्य वाढविले. ते फार प्रयत्नवादि होते.तन,मन,धनाने त्यांनी राष्ट्राची सेवा केली. ते खरे राष्ट्र संत होऊन गेले. दिनांक ११ आक्टोंबर १९६८ गुरुवार रोजी हे वंदनीय राष्ट्रसंत ब्रम्हलीन झाले. त्यांचे चरणी आपले शतः शतः प्रणाम !

महावीर स्वामी!

थेऊरकर गणेश SYBBA CA

विश्व कल्याणकारी आत्म्यांनी या भारत भूमी वर जन्म घेऊन आपले अवतार कार्य पूर्ण केले. अश्या पुरषोत्तमात श्री महावीर स्वामींचे स्थान हे फार वरच्या क्रमांकावर लागते. ख्रिस्ती सनापूर्वी ५२७ वर्षी एका वैभवशाली राज घराण्यात महावीरांचा जन्म झाला. राज वैभव आणि भौतिक सुखाचा त्याग करून मानवतेत त्यांनी सारे जीवन व्यतीत केले. बारा वर्षे खडतर तपस्या केली.अत्यंत खडतर शारीरिक यातना सहन केल्या. त्या नंतर त्यांना आत्मज्ञान मिळाले. त्यांनी अनेक देशांना भेटी दिल्या. जैन धर्माची शिकवण दिली. जीन म्हणजे इंद्रिय दमन करणारा त्यावरून 'जैन' हे नाव रूढ झाले.

महावीरांचे लहाण पणाचे नाव वर्धमान होते. वैशाली गणराज्यात बिहार राज्यात कुंडग्रामी १६ एप्रिल ख्रिस्ती सना पूर्वी ५२७ रोजी त्यांचा जन्म झाला. त्यांचे वडील सिद्धार्थ हे क्षत्रिय जनगण तंत्राचे प्रमुख होते. त्रिशीला हे त्यांच्या मातेचे नाव. लिच्छवी गणराज्य प्रमुखाची ती बहीण. वयाच्या पाचव्या वर्षी शिक्षणासाठी त्याला गुरुकुलात पाठविण्यात आले. तो संस्कृत पंडित बनला. वेदशास्त्र निपुण झाला. राजकन्या यशोधराशी त्यांचा विवाह झाला. त्यांना तिच्या पासून एक मुलगीही झाली. वयाच्या तिसाव्या वर्षी त्यांनी राजप्रासाद सोडला. अध्यात्मिक ज्ञान संपादना साठी बारा वर्षे कठोर

तपस्या केली. एकदा समाधी अवस्थेत त्यांना त्यांच्या कडक तपश्चर्येने कैवल्याचे ज्ञान झाले. त्याच वेळी ते पवित्र झाले. एकदा वृक्षाखाली बसले असताना मनाची एकाग्रता व विशुद्धता यामुळे मनोविग्रह साधतो, याच अवस्थेत सत्य, सत्याचरण, आणि प्रज्ञानबोध होतो. या त्यांच्या इंद्रियदमनामुळे लोक त्यांना महावीर म्हणू लागले.

द्रुष्ट रुढींचे प्राबल्य माजले म्हणजे खरी धर्माची शिकवण विसरली जाते. धर्माच्या नावाने स्वार्थी, पुरोहित रुढींचे स्तोम वाढवितात. अज्ञानी, धर्मभोले लोक त्याला बळी पडतात. महावीरांच्या काळी अशीच स्त्री वर्गाची दयनीय अवस्था केवळ, गैरसमज व रुढीमुळे झालेली होती स्त्रियांना मान प्रतिष्ठा तर राहु द्याच पण माणुसकीची वागणुक ही दिली जात नव्हती. दासी प्रथा समाजात बोकाळलेली होती. या दासींना पशुप्रमाने जीवन जगावे लागत असे आणि मग अश्या दासींना कोणी जवळ सुद्धा करीत नसत. त्यांच्या हातचे अन्न कोणी खात नव्हते, त्यांना शिवत देखील नव्हते. महावीरांचे करुणामय हृदय हे सर्व पाहून वेदनांनी भरून येई. त्यांनी लोकांना दासी कडे पाहण्याचा तुच्छ दृष्टीकोण सोडून देण्यास शिकविले. उच्च-निच्य, भेदभाव, शिवाशिवी ह्या खुळ्या कल्पनांचा त्याग करावयास सांगितले. महावीरांच्या कृतीने अनेकांचे डोळे उघडले. त्यांना नवी दृष्टी लाभली. सद्धर्माचा प्रकाश दिसला. “धर्म ही उपदेश करण्याची वस्तू नसून आचरणात आणण्याची गोष्ट आहे” असा उपदेश त्यांनी लोकांना दिला.

ज्याने स्वतःला जिंकले तो जगही जिंकतो. वासनामुक्त जीवन, अहिंसा धर्म, या व्रताने कोणत्याही प्राण्याला दुःख देता येत नाही. या सर्व शिकवणी त्यांनी तीस वर्ष दिल्या, ‘ऋषभदेव’ हा पहिला जैन तीर्थंकर जैन धर्माचा संस्थापक मानतात. ‘महावीर’ हा चोविसावा तीर्थंकर होता. त्यांनी जैन धर्म संघटीत केला. मगधाचा राजा बिंबीसार त्यांचा चाहता होता. ख्रिस्ती सनापूर्वी ५९९ साली तो निर्वाणावस्थेत पोचला.

साने गुरुजी

~ जन्म २४ डिसेंबर १८९९ , व मृत्यू ११ जून १९५० ~

-सालुंके अश्विनी TYBBA CA

बाल वयात मुलांच्या मनावर जे संस्कार होतात ते आयुष्यभर त्याची सोबत करतात. हे लक्षात घेऊन आई-वडिलांनी मुलांवर चांगले संस्कार करायला पाहिजेत. पूजनीय साने गुरुजी यांना सुदैवाने तसेच आई-वडील लाभले होते.

त्यांचा जन्म २४ डिसेंबर १८९९ रोजी दापोली तालुक्यातील पालगड या गावी झाला हे गाव रत्नागिरी जिल्ह्यात येते. त्यांचे पूर्ण नाव पांढूरंग सदाशिव राणे, पण त्यांना घरी पंढरी म्हणत.

त्यांची आई यशोदाबाई, वडील सदाशिवराव हे पंढरीचे योग्य तर्हेने संगोपन करत. ते प्रथम पालगड च्या शाळेत शिकले. त्यांचे वडील त्यांच्या शिक्षणात फार दक्ष होते. तसेच यशोदाबाईने लहानपणी त्यांच्या वर फार मोलाचे संस्कार केले. सालस, गुणी, कष्टाळू आणि सात्विक मनोवृत्ती असलेल्या पंढरीची पुढे 'गुरुजी' हीच ओळख झाली. लहान वयातील शारीरिक-मानसिक जडण-घडण करण्याची जबाबदारी ही मुख्यतः आई वरच पडते. त्यांची आई तशीच होती. त्या म्हणायच्या " पायाला घाण लागू नये म्हणून जपतोस तसेच मन घाण होऊ नये म्हणूनही जप हो !", " खोटे कधी बोलू नको, ' कोणत्याही प्रकारचे काम करण्याची लाज बाळगू नको ", " दिन दुबळ्यांना मदत करण्यास पुढे हो" अस्या अनेक गोष्टी त्यांना लहानवयात रुजवण्यात आल्या. त्या प्रेम करीत, पण चुकी झाल्यास कठोर शिक्षा देत असत. त्यामुळे मोठेपणी ते सत्यनिष्ठ, परोपकारी, प्रामाणिक बनले. पालगडचे पाच वर्ग शिक्षण झाल्या नंतर ते मामा कडे पुण्याला गेले, तेथे त्यांनी अनेक धार्मिक पोथी-पुराने यांचे वाचन

केले पण आईकडे जाण्याच्या ईच्छेने ते परत पालगडला आले. त्यासाठी त्यांना खूप बोलणी खावी लागली. पण ते भरपूर कामे करून आईची मदत करीत असत त्यामुळे घरच्यांचा राग दूर करत. नंतर ते इंग्रजी शिक्षणा करिता आल्याकडे दापोलीला राहिले तेथे त्यांनी आपली वाचनाची हौस भागविली. संस्कृत, इंग्रजी, मराठी अशी अनेक पुस्तके त्यांना तेथे वाचनास मिळत. त्यानंतर त्यांना महिती पडले कि औंध ला मोफत शिक्षण, व जेवण मिळते. तेव्हा घरच्या परवानगीने ते औंध ला गेले. काही दिवसातच तेथे प्लेग ची साथ आल्यामुळे ते परत आले. नंतर ते पुण्याला गेले, १९२२ मध्ये बी.ए. ची पदवी उत्तीर्ण झाले. पुढे अमळनेरला तत्त्वज्ञान मंदिरात काम करीत एम.ए. झाले नंतर खानदेश एजुकेशन सोसायटी शाळेत नोकरी मिळाली. मुलांना शिकविण्याची त्यांची पद्धत आणि त्यामागची कळकळ पाहून उत्तम शिक्षक म्हणून प्रसिद्धी झाली. काही दिवस वसती गृहाचे काम चालविले. मुलांना चांगले संस्कार देण्याची त्यांना संधी मिळाली. थोर पुरुषांचे चरित्रे लिहिली. त्यावेळीच त्यांच्या मनात आपण देशासाठी काही तरी करावे असे वाटू लागले. नेत्यांची भाषणे, गांधीजींच्या चळवळी जनतेला मिळणारे संदेश या सर्व गोष्टींने त्यांच्या मनावर देशा विषयीच्या भावना बळावल्या. नंतर १९३० मध्ये त्यांनी शाळा सोडली. आणि ते आश्रमात दाखल झाले. सत्याग्रहाच्या कामात भाग घेऊन भाषणे करू लागले त्यांच्या भाषणाने तरुणांना भाराऊन टाकले. त्यांच्या अंमळनेरच्या भाषणात त्यांवर खटला भरण्यात आला त्यांना १५ महिने तुरुंगवासाची शिक्षा झाली. त्यातही त्यांनी लोकशिक्षण, लेखन, स्फूर्ती गीते चालूच ठेवले. “स्वातंत्र्याचे आम्ही शिपाई”, “दुखी सारख्या कथा”, “खरा सत्याग्रही” क्रांती, आस्तिक, अश्या कथा कादम्बरी, नाटके त्यांनी लिहिलीत. त्यांची “शामची आई” हि कादम्बरी फार प्रसिद्ध झाली, स्वातंत्र्यलढ्यात भूमिगत राहून त्यांनी स्वातंत्र्यासाठी अनेकांना प्रेरणा दिली.

“आधी केले मग सांगितले” या विचारांचे ते होते. समाजात एकोपा राहावा असे त्यांना वाटे. “साधना साप्ताहिकांचे संपादन” कुमार संमेलनाचे अध्यक्षपद, मंदिर प्रवेशाच्या निमित्ताने पंढरपुरला प्राणांतिक उपोषण असे समाज कार्य करताना त्यांनी कुमारांना संदेश म्हणून सांगितले ” देशी- विदेशी वाड्मयाचा अभ्यास करा, अनुवाद करा. सर्वत्र हिंडून वाड्मय गोळा करा, आणि देश, समाजयाची सेवा करा. सेवा दलात त्यांनी प्रत्यक्ष कार्य केले होते. ते मनाने फार हळवे होते देशाच्या स्वातंत्र्या नंतर घडलेल्या काही घटनांनी अस्वस्थ झालेले गुरुजी अखेर ११ जून १९५० साली देवाघरी गेले.

नारी शिक्षा

-अश्विनी (TYBBA-CA)

कहा गया है जहाँ स्त्रियों की पूजा होती है वहाँ देवता निवास करते हैं। प्राचीन काल से ही नारी को 'गृह देवी' या 'गृह लक्ष्मी' कहा जाता है।

प्राचीन समय में नारी शिक्षा पर विशेष बल दिया जाता था। परन्तु मध्यकाल में स्त्रियों की स्थिति दयनीय हो गयी। उसका जीवन घर की चारदीवारी तक सिमित हो गया। नारी को परदे में रहने के लिए विवश किया गया। स्त्री-पुरुष जीवन-रूपी रथ के दो पहिये हैं, इसलिए पुरुष के साथ साथ स्त्री का भी शिक्षित होना जरूरी है।

यदि माता सुशिक्षित होगी तो उसकी संतान भी सुशील और शिक्षित होगी। शिक्षित गृहणी पति के कार्यों में हाथ बटा सकती है, परिवार को सुचारु रूप से चला सकती है। स्त्री-शिक्षा प्रसार होने से नारी आर्थिक दृष्टि से आत्मनिर्भर बनेगी। अपने अधिकारों और कर्तव्यों के प्रति सचेत होगी। आदर्श गृहणी परिवार का आभूषण और समाज का गौरव होती है।

स्त्री के लिए किताबी शिक्षा के साथ साथ नैतिक शिक्षा भी बहुत जरूरी है। स्त्री गृह कार्य में कुशल होने के साथ साथ वह समाजसेवा में भी योगदान दे सकती है। नारी का योगदान समाज में सबसे ज्यादा होता है। बच्चों के लालन-पालन, शिक्षा से लेकर नौकरी तक नारी हर क्षेत्र में पुरुषों से आगे है। अतः नारी को कभी कम नहीं आँकना चाहिए और उसका सदा सम्मान करना चाहिए।

हटा दो सब बाधाएँ मेरे पथ की,
मिटा दो आशंकाएं सब मन की
जमाने को बदलने की शक्ति को समझो,
कदम से कदम मिला के चलने तो दो मुझको।

दिल्ली मेट्रो रेल

- शर्मा सिमरन - SYBBA

प्रदूषण और यातायात जाम को कम करने के लिए दिल्ली सरकार ने मेट्रो रेल की योजना २४ दिसंबर, २००२ शुरू की। इस परिवहन व्यवस्था की अधिकतम गति ८०किमी/घंटा रखी गयी है और यह हर स्टेशन पर लगभग २० सेकेंड रुकती है।

ये योजना यहाँ के लोगो के लिए वरदान साबित हुई। इस योजना से लोगो का समय, धन और मेहनत कम हो गई। मेट्रो रेल के चलने से बहुत से फायदे हो गए। इससे सड़क यातायात में काफी सुधार हो गया और लोगो को भी बसों के धक्के और धूल मिटटी से बचकर इस मेट्रो का सफर लाभदायक लगा और सभी की तरफ से इस योजना की काफी तारीफ की गई।

मेट्रो रेल एक नयी संचार और नियंत्रण प्रणाली से भरपूर है। इस रेल के सभी कोच और बोगी स्वच्छ और वातानुकूलित हैं। ये अपने निर्धारित समय पे अपने स्टेशन से पूरे नियम से चलती हैं। इसकी टिकट प्रणाली भी बहुत आसान है। इसमें यात्रा करने के लिए लोगो को टोकन लेना पड़ता है या फिर स्मार्ट कार्ड का भी प्रयोग कर सकते हैं।

मेट्रो स्टेशन पे प्रवेश और बहार जाने की प्रक्रिया भी बड़ी आधुनिक है। लोगो की सुविधा के लिए एस्कलेटर स्थापित किये गए हैं। लोगो को यहाँ से निकल के दूसरे वाहन लेने में कोई दिक्कत न हो इसलिए इन स्टेशनों को पास के बस अड्डो से जोड़ा गया है। इस रेल में विकलांगो के लिए विशेष सुविधा दी गई है। मेट्रो रेल के तकनीकी कर्मचारी पूरी तरह से सक्षम हैं और विदेशो से भी प्रशिक्षण ले के आये हैं।

मेट्रो रेल को राजधानी की शान कहा जाता है और इसे साफ़ – सुथरा रखना सरकार के साथ-साथ आम जनता का भी कर्तव्य है।

- मेक इन इंडिया

-अंबेकर ओमकार (FYBBA)

मेक इन इंडिया भारत सरकार द्वारा प्रस्तावित एक कार्यक्रम है जिसमें भारत में अपने उत्पादों का निर्माण करने के लिए बहुराष्ट्रीय कंपनियों और घरेलू कंपनियों को प्रोत्साहित किया जा रहा है।

दरसल, इसका मतलब है कि, अच्छी और जरूरत की चीजों का निर्माण ज्यादा से ज्यादा भारत में होगा। इस योजना के तहत प्रधानमंत्री चाहते हैं कि जरूरत चीजों के पैकेट या कहे वस्तु पर “मेड इन इंडिया” लिखा हो। यह शब्द वस्तु पर तभी अंकित किया जा सकता है जब वस्तु का निर्माण भारत में हुआ हो।

प्रधानमंत्री नरेंद्र मोदी जी ने किया आरंभ

इसका आरंभ प्रधानमंत्री नरेंद्र मोदी ने २५ सितम्बर २०१४ को किया था। इस आयोजन का लक्ष्य भारत में रोजगार और कौशल क्षमता को बढ़ाना है। अर्थव्यवस्था की दृष्टि से ये २५ क्षेत्रों में लागू किया है जिनमें से कुछ हैं ऑटोमोबाइल, रसायन, आईटी, फार्मा, वस्त्र, बंदरगाह, विमानन, चमड़ा, पर्यटन और आतिथ्य, कल्याण, रेलवे, डिजाइन, विजनिर्माण, अक्षय ऊर्जा, खनन, जैव प्रौद्योगिकी, और इलेक्ट्रॉनिक्स।

इस आयोजना का अहम फायदा ये है की देश में बनी वस्तु की कीमत कम होगी। इसके अलावा अगर वस्तु का निर्माण भारत में ही होगा तो उसका निर्यात कर भी राजकीय खजाने को भरा जा सकता है। ये कार्यक्रम रचनात्मक पहल है जो भारत के आद्योगिक भविष्य के लिए नींव की ईंट साबित होगी।

लड़का लड़की एक समान |

- पटनी टिंकल (FYBBA)

आज के समय में लड़का लड़की एक सामान है। आज अगर कोई ये मानता है की लड़की कुछ नहीं कर सकती और लड़का सब कुछ कर सकता है तो वो इंसान बिलकुल गलत है।

आज का समय पहले की तरह नहीं जहाँ लड़कियों को सिर्फ घर का काम और बच्चों को संभालने की जिम्मेदारी दी जाती थी और ये माना जाता था की इसके अलावा लड़कियां और कुछ नहीं कर सकती। अब वो युग है जहाँ लड़कियां लड़कों के कंधे से कन्धा मिला के काम करती हैं।

अब सरकार और समाज ने दोनों को बराबरी का दर्जा दिया है। सभी क्षेत्रों में लड़का-लड़की दोनों सामान तरक्की कर रहे हैं। कल्पना चावला, इंदिरा गांधी जैसी कई औरतों ने साबित किया है की दोनों में कोई भेदभाव नहीं है। इंजीनियरिंग, डॉक्टर, वकील, चार्टर्ड अकाउंटेंट आदि सभी महत्वपूर्ण पेशों में लड़कियां बराबरी से अपना नाम रोशन कर रही हैं। आगे भविष्य में भी लड़का और लड़की दोनों समानता से विश्व में मानव जाति के विकास में योगदान देंगे।

लेकिन अभी भी कई इलाके ऐसे हैं जहाँ लड़कियों के साथ भेदभाव किया जाता है और उन्हें जनम से पहले ही मार दिया जाता है। हमें ऐसे लोगों को जागरूक करने के लिए ठोस कदम उठाने चाहिए ताकि वो इस बात को समाज सके की लड़का लड़की दोनों एक समान हैं।

प्रकृति एक खूबसूरत देन

साधना यादव - FYBSc (CS)

हम सबसे सुन्दर और प्यारे ग्रह पृथ्वी पे रहते हैं जहाँ पे प्रकृति एक खूबसूरत देन है। हम जीव-जन्तुओं को जीने के लिए जो आवश्यक चीजों की जरूरत होती है वो हमें प्रकृति से ही मिलती है, जैसे की हमें पीने को पानी, सांस लेने को शुद्ध हवा, पेट के लिये भोजन, रहने के लिये जमीन, पशु-पक्षी, पेड़-पौधे आदि हमारी बेहतरी के लिये उपलब्ध कराती है।

कुदरत अनगिनत रंगों से भरी हुई है जिसने अपनी गोद में सजीव-निर्जीव सभी को समाहित किया है।

प्रकृति हमें अपने कई रंग दिखाती है। कैसे सुबह से रात होती है, कई जगह इतनी गर्मी और कई जगह बर्फ से ढकी चादर, कहीं सुखा पड़ा है और कहीं बारिश का कहर है, समय के साथ मौसम में बदलाव कुदरत के नज़ारे हैं। हमारे स्वस्थ जीवन के लिये प्रकृति बहुत जरूरी है। इसलिए हमें इसे बचा के रखना पड़ेगा परंतु इस औद्योगिक युग में हम इंसान बहुत स्वार्थी हो गए हैं। हम प्रकृति का गलत उपयोग करके इसका संतुलन बिगाड़ देते हैं जिसकी वजह से हम इसके प्रकोप से बच नहीं पाते।

हमारी बहुत से गतिविधियाँ जैसे की जंगलों काटवाई, वाहनो का उपयोग आदि से कई अनचाही गैसों में वृद्धि होती है जो कि हमारी प्रकृति के लिए बहुत हानिकारिक है और ग्लोबल वार्मिंग का कारण बनती जा रही है। अंत में प्रकृति के असली उपभोक्ता हम हैं तो हमें ही इसका ध्यान रखना चाहिये ताकि हमारी आने वाली पीढ़ी भी इसे भोग सके।

जंक फूड का चलन

भदाने कोमल (SYBBA CA)

जंक फूड का चलन पूरे विश्व में दिन पर दिन बढ़ता जा रहा है। चिप्स, चॉकलेट्स, पिज़्ज़ा, बर्गर इत्यादि तले-भुने खाने को जंक फूड की संख्या में गिना जाता है। बच्चों हो या बड़े हो इस जंक फूड का प्रभाव सबके बढ़ता जा रहा है। परन्तु इस जंक फूड को खाने के सिर्फ नुकसान ही हैं।

बच्चों पे इसका असर जल्दी पड़ता है। मोटापा इसका सबसे बड़ा नुकसान है। लेकिन, हालिया रिसर्च इस जंक फूड की और बड़ी कमी सामने लेकर आया है। यह रिसर्च बताता है कि फास्ट फूड न सिर्फ बच्चों की शारीरिक सेहत को नुकसान पहुंचा रहे हैं, बल्कि इसका असर बच्चों के मानसिक विकास पर भी पड़ता है। इस रिसर्च में यह बात सामने आई है कि फास्ट फूड का अधिक सेवन बच्चों के आईक्यू लेवल को कम कर देता है।

अनुसंधानकर्ताओं ने पाया कि जंकफूड वास्तव में दिमाग को क्षति पहुंचाते हैं। तले और प्रसंस्कृत खाने के सामानों में पाए जाने वाले रसायन दिमाग को नुकसान पहुंचाने वाले संकेत भेजते हैं जिनसे उसकी भूख को नियंत्रित करने की क्षमता कम होती है।

जंकफूड बिमारियों की जड़: इन जंक फूड में कार्बोहायड्रेट की मात्रा अधिक होती है जो सभी बिमारियों की जड़ होती है। इसी से कैंसर, हृदयघात, ब्लड प्रेशर जैसी बीमारियां होती हैं। हमें अपने जीवन को सही रखने के लिए इसका सेवन काम करना होगा।

डिजिटल इंडिया

- जाधव लतिका SYBBA(CA)

डिजिटल इंडिया एक ऐसा प्रोजेक्ट है जिसका लक्ष्य भारत को विश्व का एक बेहतर नियंत्रित स्थान बनाना है। ये अभियान देश के जाने माने उद्योगपतियों की मौजूदगी में १ जुलाई २०१५ को इंदिरा गाँधी इंडोर स्टेडियम में शुरू किया गया।

प्रधानमंत्री नरेन्द्र मोदी द्वारा इस प्रोजेक्ट को एक लाख करोड़ रुपये अनुमोदित किया गया है और २०१९ तक इसके पूरा होने की उम्मीद है।

डिजिटल इंडिया का विज़न तीन प्रमुख क्षेत्रों पर केन्द्रित है। ये हैं- हर नागरिक के लिए उपयोगिता के तौर पर डिजिटल ढांचा, मांग पर संचालन एवं सेवाएं और नागरिकों का डिजिटल सशक्तिकरण।

डिजिटल इंडिया में डेटा का डिजिटलाइजेशन आसानी से होगा जो आगे चल कर चीजों को तेज और ज्यादा मजबूत बनाने में सहायक होगा। ये कागजी कार्य, समय और मानव श्रम की भी बचत करेगा। सरकार और निजी क्षेत्र के बीच गठबंधन के द्वारा ये प्रोजेक्ट गति पकड़ेगा। तेज गति नेटवर्क के साथ आपस में जुड़े हुए बड़ी संख्या के गाँव वास्तव में पिछड़े क्षेत्रों से पूर्ण रूप से डिजिटली लैस इलाकों के रूप में एक बड़े बदलाव से गुजरेगा। भारत में सभी शहर, नगर और गाँव ज्यादा तकनीकी होंगे।

डिजिटल इंडिया, भारत सरकार की एक बहुउपयोगी और सार्थक पहल है जिसका देश के विकास में अपना अमूल्य योगदान रहेगा।

पर्यावरण - प्रकृतिक रूप

शिंदे वैभव - SYBBA

दुनिया के किसी भी मनुष्य या जानवर को स्वस्थ जीवन जीने के लिए एक शुद्ध और शांतिपूर्ण पर्यावरण आवश्यक होता है। पर्यावरण वह है जो प्रकृतिक रूप से हमारे चारों तरफ है और पृथ्वी पर हमारे दैनिक जीवन को प्रभावित करता है।

जो हवा हम हर पल सांस लेते हैं, पानी जो हम अपनी दिनचर्या में इस्तेमाल करते हैं, पौधें, जानवर और अन्य जीवित चीजें यह सब पर्यावरण के तहत आता है। अगर प्रकृति के संतुलन में किसी भी

प्रकार की रूकावट आती है तो इसका असर हमारे पर्यावरण पे पड़ता है जिसका हमारे जीवन पे गलत असर पड़ता है ।

प्रदूषण

आज के युग में हर इंसान अपने निजी स्वार्थ के लिए पर्यावरण के साथ खेल रहा है इसका दुरुपयोग कर रहा है। जल प्रदूषण, ध्वनि प्रदूषण, पेड़ों को काटना, वायु प्रदूषण और कई तरह के प्रदूषणों से हम अपने वातावरण को दिन पर दिन खराब करते जा रहे हैं। जिसका असर हमारी आने वाली पीढ़ी को ज्यादा भुक्तना पड़ेगा।

विश्व पर्यावरण दिवस

विश्व पर्यावरण दिवस एक अभियान है जो कई वर्षों से हर साल 5 जून को पूरे विश्व में पर्यावरण सुरक्षा और सफाई के लिए जनता में जागरूकता का प्रसार करने के लिए मनाया जाता है। भारत सरकार पर्यावरण को सुधारने के लिए काफी अभियान चलती है हाल ही में स्वच्छ भारत अभियान शुरू किया गया है। सरकार के साथ साथ आम आदमी को भी प्रण लेना चाहिए की वो अपनी छोटी छोटी हरकतों से अपने वातावरण को साफ़ रखे जैसे कूड़ा कूड़ेदान में ही फेंके, प्लास्टिक का इस्तेमाल कम करे आदि। हमारी छोटी सी पहल से हम अपने और अपने आस पास के वातावरण को साफ़ रख सकते हैं।

एक आदर्श अध्यापक

सय्यद आसमा - SYBBA

हम सब के जीवन में शिक्षा का बहुत महत्व है। इस शिक्षा को सही रास्ता एक आदर्श अध्यापक ही सकता है। आदर्श अध्यापक का आलोकन उसके चरित्र और शैक्षणिक क्षमता से किया जाता है। एक अध्यापक के बिना विद्यार्थी का जीवन अधूरा है।

आदर्श अध्यापक देश में व्याप्त अशिक्षामयी अँधेरे को दूर करने में सहायक होता है । ऐसे अध्यापक अपने सिद्धांतों से दूसरों के लिए एक मशाल कायम करते हैं । आदर्श अध्यापक का उत्तम उधारण चाणक्य है जो चन्द्र गुप्त मौर्य के गुरु थे ।

आज के समय में हमारा समाज और वातावरण बुराईयों से भर गया है और ऐसे समाज में आदर्श अध्यापक का होना बहुत आवश्यक है । आज के छात्र असभ्य हो गए हैं उनमें पढ़ने की लगन कम हो

गई है और वो गलत कामों की तरफ आकर्षक होते जा रहे हैं और पैसे के पीछे भागते जा रहे हैं। ऐसे में एक आदर्श अध्यापक ही है जो ऐसी असभ्यता को दूर करने के लिए ठोस कदम उठाते हैं और पूरा योगदान देते हैं।

हर छात्र में एक आदर्श अध्यापक होता है सही दिशा में जाने का रास्ता बताते हैं। एक आदर्श शिक्षक किसी भी समाज व राष्ट्र की अनमोल संपत्ति होता है।
