Mr. Rajendra Y. explain why student learn Linux Operating .Linux makes very efficient use of the system's resources. ... Linux runs on a range of hardware, right from supercomputers to watches. You can give new life to your old and slow Windows system by installing a lightweight Linux system, or even run a NAS or media streamer using a particular distribution of Linux

This means the source code is easily available for everyone and you are allowed to contribute, modify and distribute the code to anyone without any permissions.

During session Rajendra Y covered following topics:-

1. Advantages of Linux operating System.
2. Different types of O.S..
3. ZIP command in Linux with examples
4. How to Change Root Password in Kali Linux?
5. touch command in Linux with Examples
6. echo command in Linux with Examples
7. diff command in Linux with examples

The entire session was conducted through power point presentation for better understanding.

Thus the session delivered by the Mr. Rajendra was helpful for understanding of Operating System . every new release of Windows OS, a huge number of hardware systems become obsolete as their technical specifications are no longer adequate to run the latest Windows OS. Linux makes very efficient use of the system's resources. Linux installation can be customised for users and for specific hardware requirements.

Report – Session on "Roles and Responsibility of Team Leader"

Date: 20/09/19

Venue: CR2

Time: 10:00 am to 12:00 pm

Attended by : TYBBA-(CA), TYBBA, TYBSC(CS)

No. of Students: 80

Name of Alumni : Mr. Akshay Wajpaye (Working in WNS) (BBA)

As per schedule by Alumni Association "Roles and Responsibility of Team Leader" was conducted in the campus of ATSS CBSCA college for TYBBA(CA), TYBBA, TYBSC(CS) students.

Duration for session was 1 Day (2 hours) conducted by alumni association.

Mr. Akshay M. explain basics information of any organization or company . The objective of this session is Team Leaders play extremely important role in motivating company's teams and ensuring their success. Some of their duties include communicating company goals, safety practices, and deadlines with designated teams. They are responsible for motivating team members and assessing their performance and evaluation.

In order to attract Team Leaders that best matches your needs, it is very important to write a clear and precise Team Leader job description.

During session Akshay covered Skills of leader following topics:-

1. Manage the operation and admin.
2. **Lead** and motivate the **team**.
3. Manage performance.

4. Solve problems.
5. Care for the health, safety and welfare of your people.

The entire session was conducted through power point presentation and with some games for better understanding.

Thus the session delivered by the Alchay Wajpay was helpful for understanding of Roles and Responsibility of Team Leader. A team leader has an overview of a group of people, motivates, gives instruction and monitors performance. It might be an official title change or a delegation exercise from your management, but either way, being a team leader separates you from your peers as a trusted person to manage a project or group of people. If you want a career in management, the title makes your CV stand out - it signals you've worked hard to gain responsibility and perhaps achieved an increased salary.

No. of Students: 80

As per schedule by Alumni Association was conducted Alumni meet in the campus of ATSS CBSCA college for alumni students.

Duration for session was 3 hours conducted by alumni association.

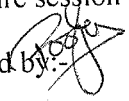

The session was start with welcome song by our Sy student for the alumni. after that all the dignitary hold their places. After that our respected principal mam well come to all and start the function and took the overview about college progress till day. She explains The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

After all formalities alumni took the part in various Activity which was planned by Ty student like musical chair, balloon game, fish pond etc. And they enjoy a lot.

Some alumni student share their experience about college, teaching staff.

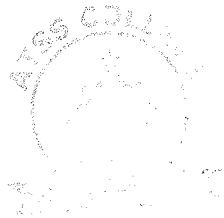

Ms. Pooja Kamble gave vote of thank behalf of ATSS college Having our Alumni back to where they belong brings back a lot of memories. I think everyone remembers their first day in school. Some of us cried and wanted to go back home, but the day we left school to step into the bigger world, we realized what this institution truly means to us.

The entire session was conducted through power point presentation for better understanding.
