Value Add On Course- Tally

Class -FY BBA Students

Need of course

Now days, manual accounting is changed to computerized accounting, in any kind of business. Depending upon requirement, the owner/ proprietor of business unit get the accounting software development firm changes, or newer tax structure being implemented in the financial year, migration of business data, inclusion of revised tax structure becomes big headache. Also, standardization of accounting software from industry is key issue. While proposing Tally Course to BBA Students, following points are considered.

1. Tally is accepted & used in different organization as complete accounting software.
2. Tally is user friendly while maintaining books of accounting in any firm.
3. Knowledge of Tally will help students to enhance their employability.
4. University has stated it as one of the objective to acquaint with computerized software package.

While maintaining record of monetary transaction, tally is used by individual user as well as corporate organization. One must be familiar with taxation part like TDS, Service Tax, Sales Tax, VAT& Excise Duty. And in future, it is considered that all taxes will be vanished and there will be only GST in our country. Tally is capable of handling & generating reports for taxation. Hence, it becomes very essential to provides add-on course on tally to BBA Students.

Objective of Add-on course-"Tally" .

1. To make students aware about Accounting software package- Tally
2. To provide hands on session on tally-ERP 9.0
3. To generate various accounting reports using tally
4. To enhance students employability.

Report for "Online Workshop on Future Business Dimensions and Business Analytic Tools "Python and Structure of R" session

Date	: 03-12-2021
Time	: 11:00 am to 1:00 pm
Attended by	: TYBSc(CS), TYBBA(CA), TYBBA, FYMSc(CS), SYMSc(CS), SYBSc(CS), SYBBA(CA), SYBBA
Name of Speaker	: Mr. Ashok Patil (Assistant Professor KIAMS, Pune)
No. of Students Benefited	: 117

As per schedule Online Workshop on Future Business Dimensions and Business Analytic Tools "Python and Structure of R session was conducted for TYBSc(CS), TYBBA(CA), TYBBA, FYMSc(CS), SYMSc(CS), SYBSc(CS), SYBBA(CA), SYBBA students.

Mr. Ashok Patil explains the most emerging technology Industry 4.0 which is a very popular topic today because of its big influence on manufacturing. Sir started his session by introducing evolution of Industry and its versions and how Automation plays an important role in Industry.

Sir also explains how Industry 4.0 is focused on creating intelligent products, processes, and procedures. The essence of the industry 4.0 is in the Internet of things (IOT). Sir also focused on IIot (Industrial Internet of Things), IIot Network Infrastructure and its Predictive Analysis.

Also, Sir highlighted on R, is a programming language and software environment for statistical analysis, graphics representation and reporting. Sir explains how R provides a wide variety of statistical (linear and nonlinear modelling, classical statistical tests, time-series analysis, classification, clustering) and graphical techniques, and is highly extensible.

At the end of session various queries from students had been solve by him.

Students were very happy, satisfied with content he had explained in his session.

Report ON GST Lecture

A special lecture on GST was held on 24th June 2017 for SYBBA (AY 2017-18) IIIrd Sem & TYBBA (AY 2017 – 18) Students. CA Shivkumar Kalashetty conducted this lecture. Total 24 students were present. Mrs. Anita Mathapati, Mr. Dinesh Lahori, Mrs. Aarti Kulkarni & Mr. Prasad Deshpande (all teaching staff) also attended the lecture.

Ms. Asma Sayyed – TYBBA students introduced the eminent speaker and Mrs. Anita Mathapati welcomed the speaker.

Shivkumar sir, started the lecture with the introduction of Direct Tax & Indirect Tax. Tax Structure in India. He also briefed about various taxes applicable on various products & services with example. Shivkumar sir, also briefed on GST and explained the revised tax structure will be applicable from 1st July 2017. Shivkumar sir also gave details on CGST, SGST & IGST.

During his lecture, CA Shivkumar also told the important date to remember while submitting tax details to Government of India and what will happen if any supplier or vendor forgets to submit tax details. He also shared that if any student is having detailed knowledge about filling tax details will have opportunity to start his own business. Student will also have tremendous opportunities in manufacturing / service sector, if Finance specialization is chosen during TYBBA, as from 1st July 2017 One Nation – One Tax i.e. GST will be implemented.

The lecture was ended with question & answer session. Students asked number of questions on GST, provisions made under GST & what other knowledge is required to start his / her business as tax consultant. Shivkumar sir, gave detailed answers to the questions and also announced that 15 hrs workshop will also be conducted for interested students once the management permits to conduct the same.

Ms. Asma Sayyed, TYBBA students proposed vote of thanks. With this session was concluded.
